According to weapons, the units of the IX Mtz Rifle Corps apparently included elements of the 4th Gds Arty Brig (US) and the 10th Gds RL Regt. The engineer unit which arrived on 31 March cannot definitely be identified; it may have belonged to the 348th Engr Bn of the abovementioned division. The end of the exercise was previously indicated by another source, according to whom the 58th Mech Regt of the division arrived in its Perleberg post on 31 March and 1 April.
